| 09/29/2026 | Dividend Credit | +\$1,240.18   | Portfolio holdings          | Routine investment activity; benign comparison transaction.       |

### Operational Context

This synthetic activity report is intended to test fraud/AML-style anomaly detection during a transition. The listed activity is not proof of fraud; it contains indicators that should prompt review and verification.

All counterparties, account identifiers, transaction references, and amounts are fictional.
